### **Members' Report for the Year Ended 31 March 2018**

The members present their report and the unaudited financial statements for the year ended 31 March 2018.

#### **Firm structure**

The LLP is a limited liability partnership registered in England and Wales. A list of designated members' names is available for inspection at the LLP's registered office.

#### **Principal activity**

The principal activity of the limited liability partnership is Carpentry and Building

#### **Designated members**

The members who held office during the year were as follows:

RR Rogers

R Duncan

#### **Members' drawings and the subscription and repayment of members' capital**

Members are permitted to make drawings in anticipation of profits which will be allocated to them. The amount of such drawings is set at the beginning of each financial year, taking into account the anticipated cash needs of the LLP.

New members are required to subscribe a minimum level of capital and in subsequent years, members are invited to subscribe for further capital, the amount of which is determined by the performance and seniority of those members. On retirement, capital is repaid to members.

#### **Small companies provision statement**

This report has been prepared in accordance with the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006, as applied to limited liability partnerships.

Approved by the Board on 30 October 2018 and signed on its behalf by:

RR Rogers

**Chartered Accountants' Report to the Members on the Preparation of the Unaudited  
Statutory Accounts of  
R Rogers Carpentry & Building LLP  
for the Year Ended 31 March 2018**

In order to assist you to fulfil your duties under the Companies Act 2006, as applied to limited liability partnerships, we have prepared for your approval the accounts of R Rogers Carpentry & Building LLP for the year ended 31 March 2018 set out on pages 4 to 11 from the limited liability partnership's accounting records and from information and explanations you have given us.

As a practising member firm of the Institute of Chartered Accountants in England and Wales (ICAEW), we are subject to its ethical and other professional requirements which are detailed at <http://www.icaew.com/en/members/regulations-standards-and-guidance>.

This report is made solely to the members of R Rogers Carpentry & Building LLP, as a body, in accordance with the terms of our engagement letter dated 6 August 2018. Our work has been undertaken solely to prepare for your approval the accounts of R Rogers Carpentry & Building LLP and state those matters that we have agreed to state to them, as a body, in this report in accordance with ICAEW Technical Release 07/16 AAF. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than R Rogers Carpentry & Building LLP and its members as a body for our work or for this report.

It is your duty to ensure that R Rogers Carpentry & Building LLP has kept adequate accounting records and to prepare statutory accounts that give a true and fair view of the assets, liabilities, financial position and profit of R Rogers Carpentry & Building LLP. You consider that R Rogers Carpentry & Building LLP is exempt from the statutory audit requirement for the year.

We have not been instructed to carry out an audit or a review of the accounts of R Rogers Carpentry & Building LLP. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory accounts.

## **Notes to the Financial Statements**

### **1 Accounting policies**

#### **Summary of significant accounting policies and key accounting estimates**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### **Statement of compliance**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

#### **General information and basis of accounting**

The limited liability partnership is incorporated in the United Kingdom under the Limited Liability Partnership Act 2000. The address of the registered office is given on the limited liability partnership information page. The nature of the limited liability partnership's operations and its principal activities are given in the members' report.

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

The functional currency of R Rogers Carpentry & Building LLP is considered to be pounds sterling because that is the currency of the primary economic environment in which the limited liability partnership operates. Foreign operations are included in accordance with the policies set out below.

#### **Revenue recognition**

Revenue is recognised to the extent that the limited liability partnership obtains the right to consideration in exchange for its performance. Revenue is measured at the fair value of the consideration received, excluding discounts, rebates, VAT and other sales tax or duty.

#### **Barter transactions**

Turnover is recognised in respect of barter transactions only where services are exchanged for dissimilar services and the transaction is deemed to have commercial substance. Such transactions are measured at the fair value of the services received, adjusted by any amount of cash and cash equivalents transferred.

#### **Members' remuneration and division of profits**

The SORP recognises that the basis of calculating profits for allocation may differ from the profits reflected through the financial statements prepared in compliance with recommended practice, given the established need to seek to focus profit allocation on ensuring equity between different generations and populations of members.

Consolidation of the results of certain subsidiary undertakings, the provision for annuities to current and former members, pension scheme charges, the spreading of acquisition integration costs and the treatment of long leasehold interests are all items which may generate differences between profits calculated for the purpose of allocation and those reported within the financial statements. Where such differences arise, they have been included within other amounts in the balance sheet.

Members' fixed shares of profits (excluding discretionary fixed share bonuses) and interest earned on members' balances are automatically allocated and, are treated as members' remuneration charged as an expense to the profit and loss account in arriving at profit available for discretionary division among members.

The remainder of profit shares, which have not been allocated until after the balance sheet date, are treated in these financial statements as unallocated at the balance sheet date and included within other reserves.

# **R Rogers Carpentry & Building LLP**

## **Notes to the Financial Statements (continued)**

### **1 Accounting policies (continued)**

#### **Taxation**

The taxation payable on the partnership's profits is the personal liability of the members, although payment of such liabilities is administered by the partnership on behalf of its members. Consequently, neither partnership taxation nor related deferred taxation is accounted for in these financial statements. Sums set aside in respect of members' tax obligations are included in the balance sheet within loans and other debts due to members, or are set against amounts due from members as appropriate.

#### **Tangible fixed assets**

Individual fixed assets costing or more are initially recorded at cost.

#### **Depreciation**

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

<b>Asset class</b>	<b>Depreciation method and rate</b>
Plant & Machinery	25% straight line
Motor Vehicles	25% reducing balance

#### **Stock**

Stock is valued at the lower of cost and net realisable value, after due regard for obsolete and slow moving stocks. Net realisable value is based on selling price less anticipated costs to completion and selling costs.

#### **Trade debtors**

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the limited liability partnership will not be able to collect all amounts due according to the original terms of the receivables.

#### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### **Members' interests**

Amounts due to members after more than one year comprise provisions for annuities to current members and certain loans from members which are not repayable within twelve months of the balance sheet date.

### **2 Profit for the year before members' remuneration charged as an expense**
