Accounting policies

(a) Basis of preparation

These financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as endorsed by the European Union (EU), with interpretations issued by the IFRS Interpretations Committee and with those parts of the Companies Act 2006 applicable to companies reporting under IFRS.

The principal accounting policies set out below have been consistently applied to all financial reporting periods presented in these financial statements.

(b) New standards, interpretations and amendments to published standards that have been adopted by the Company

There are no new standards, interpretations or amendments to existing standards effective by EU endorsement for annual periods beginning on or after 1 January 2017 that had an effect on the financial statements of the Company.

(c) Standards, interpretations and amendments to published standards that are not yet effective and have not been early adopted by the Company

There are no new standards, interpretations and amendments to existing standards that have been published, but not yet effective, that are expected to have an impact on the financial statements of the Company.

Notes to the financial statements
